Haiti's Humanitarian Crisis Worsens

- A recent UN News Brief reports gangs control 80 percent of Haiti's capital of Port-au-Prince and violence is spreading.
- 2023 has seen 8,000 killings, kidnappings and rapes. Over three hundred armed gangs control the country.
- The promised UN humanitarian response plan is underfunded.
- Haitian emigration to the Dominican Republic is discouraged by the Dominican Republic government.

Please help Ministry in Mission continue to feed the orphans and elders that depend on you to flourish despite the difficult life they must endure.

Eyeglass Clinics in the Bateyes Dominican Republic

December 2-9 Puerto Plata, Dominican Republic was the destination for our last trip in 2023. It began with a worship service at the Iglesia Lutheran church in Pueblo Nuevo. The remainder of the week the team served more than 600 pair of glasses to 330 Haitians and Dominicans in five different locations. Donations of food were also distributed to the elderly.

Donations of glasses were provided from our friends in the USA.

Multitudes waited patiently for a chance at better vision.

The missionaries worked in various stations to assist the people with proper choice of glasses.

Bibles in French and Spanish were donated by Deb and Paul Freese to test the vision of those receiving corrected sight.

Helping the Elderly

As we haven't been able to travel to Haiti in several years, the ladies of Jacmel Lutheran Church have stepped in to help the elderly at Jacmel Lutheran Home.

As you do your last minute Christmas shopping, please remember the children!
